Dear Friends,

Our firm, Northwest Natural Resource Group, is very pleased to have been chosen to help develop Idaho's Strategic Action Plan for Invasive Species. It has been a real pleasure to work with the dedicated public agency employees and those representing various stakeholders and interest groups in this important work.

We welcome your comments as well, and look forward to a final plan that will only be strengthened by them. Please feel free to contact us directly with your comments and suggestions and can accept comments until November 20th. You may reach us at:

Northwest Natural Resource Group

Phone: (208) 549-4131
Fax: (208) 549-8329
Email: joe@nnrg.com.

Also, if you would like a hard copy or a CD with the draft plan on it, please let us know and we will be happy to provide one to you.

Finally, if you are a member of an interest or stakeholder group and believe it would be beneficial for your group to have a presentation on the plan and discuss it with us in person, we will make every attempt to meet your request.

Thank you for your time in reviewing the draft, and we look forward to hearing from you.

Sincerely,
Northwest Natural Resource Group
